TESTIMONIALS

Thank you for your help in organising our Christmas event, it all went really well!!

COREcruitment recently chose The Forge for a corporate event, the space worked perfectly for casual drinks and networking and had everything we needed in terms of AV for our guest speaker. The team were incredibly thorough in the run-up to our event, checking in and ensuring a smooth execution on the evening. The food and drink offering were excellent too.

Thanks for having us !

Booked the downstairs space at Forge for a networking event and the evening couldn't have gone better. For a very affordable spending deposit, we had a huge and stylish space, excellent and attentive staff
